Ministries functioning well at GBC

While we were praying yesterday at our prayer meeting, I was thinking of the story of Moses and the Israelites defeating the Amalekites recorded in Exodus 17. While the battle was on, Moses had to stand on the hill with the staff of God held up high. As long as he held the staff high the Israelites had the advantage but as soon as he lowered the staff the Amalekites gained the upper hand. Moses arms became too tired to hold up any longer. The bible tells us that Aaron and Hur found a stone for Moses to sit on and they stood on each side holding up his arms until sunset. As a result Joshua and his troops were able to crush the army of Amalek.

What a perfect picture of the ministries operating here at GBC. We could never do this ministry alone. But as we help each other serving together we too are able to minister successfully and crush the enemy that is trying so hard to defeat us.

I want to thank all the directors of the different ministries for organis-

ing and scheduling their teams. Together with God we are in for a great year of ministry here at GBC. Let us continually help and uphold each other like Aaron and Hur did Moses.
